

## 2. A basic singing signing vocabulary – 2nd page

This sheet is to remind you of signs you have already learnt, and should only to be used in conjunction with training and a visual representation of the signs.

<p><b>Who?</b> R index, palm facing L, taps chin x2.</p>	<p><b>Choose</b> Index finger contacts thumb &amp; moves forwards &amp; downwards (or in direction).</p>	<p><b>More</b> Both flat hands, palms facing you. R taps back of L x2.</p>
<p><b>Lovely</b> Index finger (pointing L) moves across chin &amp; bends inwards.</p>	<p><b>Class</b> Both hands in C fingerspelling shape (other fingers in) touch thumb to thumb, index to index. Separate &amp; move forward &amp; round so knuckles by little finger touch.</p>	<p><b>Want</b> Flat hand on R upper side of chest makes small sweep downwards, then twists to palm facing down.</p>
<p><b>Wow / gosh / amazing</b> Both open hands, palms facing, wiggle forwards &amp; backwards. Face reflects meaning.</p>	<p><b>1, 2, 3, 4, and</b> (counting in) Palm towards you, show index, then index &amp; middle, then 3, then 4 fingers.</p> <p><b>And</b> Index pointing, palm upwards, turn over to palm down.</p>	<p><b>High</b> Bent hand goes up beside head &amp; makes small forward movement. May puff cheeks.</p>
<p><b>Half</b> R flat hand, slices across L palm (facing upwards) up &amp; along towards L fingers.</p>	<p><b>Beautiful / superb</b> Thumb &amp; index together, all fingers closed, touch lips. Moves forward, and opens. (The usual gesture!)</p>	<p><b>After</b> Index pointing up, palm away from you, make small movement L to R.</p>
<p><b>Walk</b> Walking movement with 2 fingers.</p>	<p><b>Twice</b> 2 fingers in V shape point upwards, palm away from you. Twist round to palm facing you.</p>	<p><b>Middle</b> Edge of R flat hand, palm facing you, taps top of L. middle finger twice.</p>
<p><b>Another</b> Open L hand, fingers pointing up; flick nail of middle finger with R index x2.</p>	<p><b>Quiet</b> Both hands, thumb &amp; index touching, meet together, then move apart &amp; downwards.</p>	<p><b>Voice</b> 2-finger-point hand touches voice box x2.</p>
<p><b>Fast</b> R index touches top of L index; R hand then springs backwards to open hand shape.</p>	<p><b>Slow</b> R flat hand, palm down, moves up left forearm, palm down, slowly.</p>	<p><b>Finish</b> Middle fingers &amp; thumbs make repeated contact in front of chest.</p>
<p><b>Please</b> Fingertips of flat hand touch mouth, then move forwards &amp; downwards. Fingers close.</p>	<p><b>Thank you</b> Fingertips of flat hand touch mouth, then move forwards &amp; downwards.</p>	<p><b>Same</b> Both indexes pointing forward, palms down, tap together twice. <b>Different</b> – start as for Same but don't tap; flip hands over.</p>
