

2. A basic singing signing vocabulary - 1st page

This sheet is to remind you of signs you have already learnt, and should only to be used in conjunction with training and a visual representation of the signs.

<p>Who? R index, palm facing L, taps chin x2.</p>	<p>Choose Index finger contacts thumb & moves forwards & downwards (or in direction).</p>	<p>More Both flat hands, palms facing you. R taps back of L x2.</p>
<p>Lovely Index finger (pointing L) moves across chin & bends inwards.</p>	<p>Class Both hands in C fingerspelling shape (other fingers in) touch thumb to thumb, index to index. Separate & move forward & round so knuckles by little finger touch.</p>	<p>Want Flat hand on R upper side of chest makes small sweep downwards, then twists to palm facing down.</p>
<p>Wow / gosh / amazing Both open hands, palms facing, wiggle forwards & backwards. Face reflects meaning.</p>	<p>1, 2, 3, 4, and (counting in) Palm towards you, show index, then index & middle, then 3, then 4 fingers.</p> <p>And Index pointing, palm upwards, turn over to palm down.</p>	<p>High Bent hand goes up beside head & makes small forward movement. May puff cheeks.</p>
<p>Half R flat hand, slices across L palm (facing upwards) up & along towards L fingers.</p>	<p>Beautiful / superb Thumb & index together, all fingers closed, touch lips. Moves forward, and opens. (The usual gesture!)</p>	<p>After Index pointing up, palm away from you, make small movement L to R.</p>
<p>Walk Walking movement with 2 fingers.</p>	<p>Twice 2 fingers in V shape point upwards, palm away from you. Twist round to palm facing you.</p>	<p>Middle Edge of R flat hand, palm facing you, taps top of L. middle finger twice.</p>
<p>Another Open L hand, fingers pointing up; flick nail of middle finger with R index x2.</p>	<p>Quiet Both hands, thumb & index touching, meet together, then move apart & downwards.</p>	<p>Voice 2-finger-point hand touches voice box x2.</p>
<p>Fast R index touches top of L index; R hand then springs backwards to open hand shape.</p>	<p>Slow R flat hand, palm down, moves up left forearm, palm down, slowly.</p>	<p>Finish Middle fingers & thumbs make repeated contact in front of chest.</p>
<p>Please Fingertips of flat hand touch mouth, then move forwards & downwards. Fingers close.</p>	<p>Thank you Fingertips of flat hand touch mouth, then move forwards & downwards.</p>	<p>Same Both indexes pointing forward, palms down, tap together twice. Different – start as for Same but don't tap; flip hands over.</p>
